# PASTELS

Cool colours with warm undertones, these soft pastels work to create a sense of serenity in any space. Focused on wellbeing, these tones provide an escape from everyday life.

# NEUTRALS

Simplicity at its best. These tonal colours are designed to create movement throughout projects, with the introduction of dark undertones adding light and shade to the palette. The neutral range works in harmony to provide a seamless colour scheme.

# JEWELS

Sophisticated deep jewel tones are perfect for creating a moody ambience. These shades compliment lighter, neutral tones to create a modern and sleek interior.

# BRIGHTS

Bold, bright colours which create striking design statements, the Brights range adds an element of fun to any space. Featuring primary colours reminiscent of the Bauhaus movement, this palette is designed to make you smile.
