About Parkside

As part of the UK's largest tile specialist, you can be assured that we have the resources and know-how to find the perfect tiles for your projects.

Our team of experienced colleagues at Parkside are on hand to help create original interiors that make sure your finished projects stand out from the competition.

We are a design-led tile specification company working with some of the world's most dynamic manufacturers and designers to bring you the latest tile collections, many of which are exclusive.

Our Design Studios in Clerkenwell & Leicester both show a wide selection of tiles in a relaxed and creative environment where we can provide samples, mood-boards, design layouts together with cost analysis and technical details, all to help you create your desired look.

Parkside's acquisition by the UK's leading tile specialist, Topps Tiles PLC in 2017 has helped strengthen its position within today's commercial tile market. The integration has also given Parkside added benefits into the Group's competitive pricing, product ranges and stock availability.

Working with Parkside

Parkside has operated in the commercial tile sector for many years, building a very successful track record in commercial projects. We continue to work with many recognised brands such as David Lloyd, Starbucks, Harrods, Burger King and Heathrow Airport. Our client portfolio also includes international hotel chains such as Holiday Inn, Radisson and Hilton Hotels.

As part of the UK's largest tile business we are able to support the residential developers and their customers through our central warehousing facility and logistical capability. Serving clients such as Berkeley Homes, Ballymore, Purelake New Homes, Junnell Homes, Rushmon Homes etc.

Our Sustainability Journey

X PARKSIDE

40 for 40

Since we began 40 for 40, we've protected over 335,000 square metres of biodiverse habitat in partnership with World Land Trust.

Every time you purchase 40% minimum recycled content tiles, we'll donate 40 pence per square metre to the work of the trust. To date, World Land Trust has protected more than 2,400,000 acres of precious natural habitats through land purchase.

Partnerships with sustainable production pioneers

We work with sustainable production pioneers to bring you tiles that contribute to a more sustainable specification.

Using green energy

We use 100% renewable electricity across our studios, head office, and warehouse.

Cutting down on packaging waste in deliveries

Our ethos on packaging is pragmatism. We strive for minimal environmental impact, with an emphasis on materials that are lightweight, low carbon, and fully recyclable.

We're members of the Plastic Pact, committed to 100% recyclable and 30% recycled content across own-brand plastic packaging by 2025.
